Support Office for Students with Disabilities
Nagaoka University of Technology

Academic Support (Reasonable Accommodations) for Students with Disabilities, etc.

Congratulations on your acceptance to Nagaoka University of Technology.

Nagaoka University of Technology has established the Support Office for Students with Disabilities within the Student Support Center. As a university-wide support organization, its mission is to ensure that students do not have to abandon their studies because of any disabilities, while also maintaining the highest educational standards and providing a seamless study environment.

In order to facilitate individualized accommodations after enrollment, the Support Office for Students with Disabilities conducts collaborative discussions with each eligible student and their guardian/guarantor before enrollment.

Therefore, if you are seeking reasonable accommodations, please submit a *Request for Reasonable Accommodation* (attached form) to the address below.

If you have any questions regarding this matter, please contact us at the following.

Submit requests to: Section of Student Support, Division of Student Affairs,
Nagaoka University of Technology
1603-1 Kamitomioka, Nagaoka, Niigata 940-2188, Japan

Contact: Support Office for Students with Disabilities (Academic Support Desk)
Student Support Center
TEL: 0258-47-9929
(Please call between 10:00 am and 4:30 pm, excluding weekends and public holidays.)

*1. “Students with disabilities, etc.” refer to students (including those who wish to enroll at the university) who have or are considered to have physical disabilities, intellectual disabilities, mental disorders (including developmental disorders), or other disabilities that affect physical or mental function (hereinafter collectively referred to as “disabilities”); are in a state of continuously facing substantial limitations in their daily or social life because of these disabilities or social barriers (referring to items, institutions, practices, ideas, and other things in society that stand as obstacles against persons with disabilities engaging in daily or social life); and require support in their studies.

*2. This document is sent to all students who have successfully passed the entrance examination.
