I. Application for Admission Fee Exemption/ Deferral and Tuition Fee Exemption

Please access to the QR code or the homepage of the university and confirm the application procedure.

<https://www.nagaokaut.ac.jp/e/student/tuition/index.html>

(NUT Website (English Version) > Student > Financial Support > 【Admission Fee Exemption/Deferral system】 or 【Tuition Fee Exemption system】)

* For application procedures, please refer to the " Application Guide for Admission Fee Exemption/Deferral AY2025 (September Admission)" or " Application Guide for Tuition Fee Exemption AY2025 (Second Semester)" posted on the above website.

* The application deadline for admission fee exemption/deferral is the last day of the enrollment application site entry period for each examination category.

*The application period for tuition fee waiver is scheduled from September 1 to September 19, 2025.

* Note to those who apply for admission fee exemption/deferral : Applicants for admission fee exemption/deferral should not pay the admission fee until they are notified of the result of their application. Application results will be notified in October.

* Those who wish to apply for admission fee exemption/deferral and Twinning Program students must remember to apply (check box) on the entry form on the enrollment application website.

II. Personal Accident Insurance for Students Pursuing Education and Research, etc.

All students are to join "Personal Accident Insurance for Students Pursuing Education and Research" when they enroll. This insurance covers unexpected accidents during their educational and research activities while at the university. In addition, all students are to join "Liability Insurance for Students Pursuing Education and Research". This insurance will provide compensation for legal damages incurred due to injuries to others or damage to the property of others by students participating in their curricular activities, extracurricular activities, or school events, and commuting to and from them.

Complete the payment of the insurance premium shown below with the Admission Fee. **Even if you are an applicant for admission fee exemption/ postponement, the insurance fee must be paid at the time of enrollment application.**

NEW students in;	Personal Accident Insurance for Students Pursuing Education and Research	Liability Insurance for Students Pursuing Education and Research	Total
Master's Program	1,750 yen	680 yen	2,430 yen
5-year Integrated Doctoral Program	4,050 yen	1,700 yen	5,750 yen
Doctoral Program	2,600 yen	1,020 yen	3,620 yen

III. Tuition Fee, etc.

Tuition Fee (Academic Year 2025): 535,800 yen/year (267,900 yen/half a year)

You are asked to pay the Tuition and other fees by account transfer system. You become a NUT student on September 1 and tuition and other fees are charged. The tuition will be automatically withdrawn from the specific bank account authorized by you. Check the university's information carefully regarding the account transfer procedure, as each one of you will be required to register after enrollment. The amount for September of the current fiscal year (44,650 yen) will be combined with other expenses and transferred to your bank account on October 1. Automatic withdrawal is scheduled twice a year with the amount of a half-year. For 5-year Integrated Doctoral Program students: Tuition Fee is not charged during the period of the standard number of years required for graduation (5 years since entering the school). If your stay exceeds 5 years, you will have to pay tuition fees.

Tuition Fee	account transfer date
267,900 yen (last half-year : October – March of the next year)	November 1
267,900 yen (first half-year : April - September)	June 1

Note that when the tuition fee is to be revised, the new amount will be applied accordingly. Students will need additional expenses for the purchase of textbooks, experiment supplies, etc. Prepare them according to your teachers'/supervisors' instruction.

Contribution to NUT Society of Educational Program

Contribution to NUT Society of Educational Program:20,000 yen

Please refer to enclosed "Request of Contribution to NUT Society of Educational Program"

IV. Privacy Policy

Nagaoka University of Technology handles personal information included in the submitted documents upon admission to the university for the purpose below, under Act on the Protection of Personal Information Held by Independent Administrative Agencies, etc.;

- (1) University uses personal information for education (management of student registration, educational instruction, etc.), student support (health management, application for tuition exemption and scholarship, etc.), collection of tuition and NUT Alumni ("Kouyu-kai"), etc.
- (2) Personal information is provided to Nagaoka University of Technology Alumni Association ("Dousou-kai") and NUT Society of Educational Program as is deemed necessary for university, Alumni Association ("Dousou-kai") and NUT Society of Educational Program to conduct business. For inquiries about provision of personal information, contact Division of Academic Affairs.
- (3) University may entrust all or parts of handling personal information to a third party within the scope of the purpose of use. In such cases, university takes measures to ensure safety in conformity with the purport of the related University Rules and other related laws and regulations.

V. Decline Admission

If you wish to decline admission, make admission declination form (free format), mentioning your;

- | |
|--|
| (1) Examinee No. (2) Enrolling major (3) Name with signature (4) Date of birth
(5) Contact address (6) Phone number (7) Reason of declination |
|--|

Admission declination form should be sent to Division of Academic Affairs.

Please make sure to contact us in advance regarding successful candidates of the recommendation-based entrance examination and students advancing within the university.

Tuesday, September 2		Class Begin

Chapter 1 General Provisions

Section 1 Purpose

(Purpose)

Article 1 The University aims to, based on the School Education Act (Act No. 26 of 1947), promote research particularly addressing the development of practical technology, as well as to foster leading engineers with practical, creative capability.

Chapter 2 Undergraduate

Section 1 Years Required for Graduation

(Years Required for Graduation)

Article 14 (1) The number of years required for undergraduate graduation shall be four years.

(2) The number of years that a person enrolled in the third year must attend shall be two years.

(3) In a case for which a person who has acquired a certain number of credits as a credited auditor (limited to those other than university students) prescribed in Article 80 enters the University, and when it is deemed that a part of a course of study at the University has been completed by the acquisition of the credits, as provided for separately, taking the number of credits acquired and other matters into consideration, a period not exceeding two years may be included in the number of years required for graduation in the preceding two paragraphs. However, the years for entrants to the third year shall not exceed one year.

(Years of Attendance)

Article 15 Entrants to the first year may not attend the University for a period exceeding eight years. Entrants to the third year may not attend the University for a period exceeding four years.

Section 2 Admission

(Admission Procedure and Acceptance)

Article 21 (1) Applicants who have received a letter of acceptance based on the results of the selection in the preceding article must pay the prescribed admission fee, as well as submit the prescribed documents by the prescribed date.

(2) The President shall grant admission to those who have completed the admission procedure in the preceding paragraph (including those for which a request for the admission fee waiver or postponement has been accepted).

Section 3 Absence and Withdrawal from School

(Absence from School)

Article 26 (1) A person who is unable to study for two months or more because of illness, volunteer activities, or other special reason may take a leave of absence from school after obtaining permission from the President.

(2) For a person deemed to be unable to study because of illness, the President may order that the student take a leave of absence from school.

(Period of Absence from School)

Article 27 (1) A period of absence from school shall not exceed one year. However, when there is a special reason, the extension of the period of absence from school might be permitted with the limit of one year.

(2) The period of absence from school may not exceed two years in total. However, absences from school for school-sanctioned volunteer activities or for other reasons specified separately shall not be counted for the purposes of this limitation..

(3) The period of absence from school shall not be included in the years of attendance.

(Returning to School)

Article 28 When a reason ceases to exist during absence from school, the person may return to school after obtaining permission from the President.

(Leaving School)

Article 30 A student who intends to leave school must obtain permission from the President.

(Expulsion from School)

Article 31 Those to whom any of the following items apply shall be expelled from school by the President after hearing the opinions of the Faculty Meeting.

(i) Have exceeded the years of attendance prescribed in Article 15

(ii) Remain unable to study even after the period of absence from school prescribed in Article 27 has passed

(iii) Have gone missing for a long period of time

(iv) Are not granted a waiver or are granted a partial waiver among those who have applied for the entrance fee waiver, and who have not paid the admission fee by the prescribed date

(v) Have applied for the admission fee postponement and have not paid the admission fee by the designated date

(vi) Are delinquent in the payment of tuition fees and do not pay even after being pressed for the payment

Chapter 3 Graduate School

Section 1 Years Required for Graduation

(Standard Years Required for Graduation)

Article 49 (1) The standard number of years required for graduation for the doctoral degree program shall be five years.

(2) The standard number of years required for graduation for the master's programs shall be two years.

(Years of Attendance)

Article 50-1 The 5-year integrated doctoral program, the master's program, and the doctoral program might not be attended for a period exceeding eight years, three years, and five years, respectively.

(Long-term Studying Students)

Article 50-2 Despite the provisions of the preceding two articles, the years required for graduation, the years of attendance, etc. for those who take a course of study over a certain period of time exceeding the standard years required for graduation in a planned manner because of the circumstances such as having an occupation shall be provided for separately.

Section 3 Absence and Withdrawal from School

(Application with the Necessary Modifications to Absence from, Returning to and Leaving School)

Article 58 The provisions of Article 26, Article 28, and Article 30 shall apply with the necessary modifications to absence from, returning to, and leaving school.

(Period of Absence from School)

Article 59 (1) A period of absence from school shall not exceed one year for each of the 5-year integrated doctoral program, master's programs, and doctoral programs. However, when there is a special reason, the extension of the period of absence from school might be permitted with the limit of one year, respectively.

(2) The period of absence from school shall not exceed two years in any of the 5-year integrated doctoral program, master's programs, and doctoral programs, respectively. However, absences from school for school-sanctioned volunteer activities or for other reasons specified separately shall not be counted for the purposes of this limitation.

(3) The period of absence from school shall not be included in the years of attendance.

(Expulsion from School)

Article 61 Those to whom any of the following items apply shall be expelled from school by the President after hearing the opinions of the Faculty Meeting.

(i) Have exceeded the years of attendance prescribed in Article 50-1 or Article 50-2

(ii) Remain unable to study even after the period of absence from school prescribed in Article 59 has passed

(iii) Are applicable to any of the items, from item (iii) through item (vi) of Article 31

Chapter 4 Common Provisions

Section 1 Rewards and Punishments

(Commendation)

Article 72 A student who has performed an act that is worthy of recognition may be commended by the President.

(Disciplinary Action)

Article 73 (1) Those who act against the rules of the University or commit an act violating the duty as a student will be given disciplinary action by the President after hearing opinions at a Faculty Meeting.

(2) The types of disciplinary action in the preceding paragraph shall be expulsion, suspension, and warning.

(3) The expulsion in the preceding paragraph shall be given to those who are applicable to the following items.

(i) Behave delinquently and are deemed as to have no prospect for improvement

(ii) Are deemed as to have no prospects for completion of the study because of inferior academic ability, etc.

(iii) Often do not attend school, giving no reasonable grounds for absence

(iv) Disturb the orders of the University and violate the duties of a student

(4) Necessary matters related to the disciplinary action procedures for students shall be provided for separately.

NOTE:

The official text of each regulation is the Japanese version. As the English translation is provided only for reference, if there are any discrepancies between Japanese and English versions, the Japanese takes precedence.

Chapter 1 Intent

(Intent)

Article 1 With respect to the enforcement of the National University Corporation Nagaoka University of Technology Rules (hereinafter, the “Rules”), the bylaws related to the conduct of students of Nagaoka University of Technology (hereinafter, “Students”), as well as students’ associations and assemblies on campus, shall be governed by these Rules.

Chapter 2 Pledge, Letter of Guarantee, etc.

(Submission of Pledge, etc.)

Article 2 (1) Those who have been accepted for admission to Nagaoka University of Technology (hereinafter, the “University”) must submit the following documents using the designated forms by the specified date.

- (i) Pledge (Appended form 1)
- (ii) Letter of Guarantee (Appended form 2)
- (iii) Student Record Sheet (Appended form 3)
- (iv) Other documents specified by the University

(2) International students need not submit the documents listed in item (ii) of the preceding paragraph.

(Guarantor)

Article 3 (1) Those who have been accepted for admission to the University must appoint their guarantor, who takes full responsibility for their conduct as a student of the University. The payment of their tuition fees and must submit the documents listed in item (ii) of paragraph (1) of the preceding article to the President. However, international students need not appoint their guarantor:

- (2) The guarantor must be a parent or an equivalent person.
- (3) When the guarantor is changed or when there is a change in the guarantor’s address, etc., the Notification of Change of Guarantor, etc. (Appended form 4) must be submitted to the President without delay.

(Student Record Sheet)

Article 4 When there is a change in the entries of the Student Record Sheet, the Notification of Change of Student Record Sheet (Appended form 5) must be submitted to the President without delay.

Chapter 3 Leave of Absence, Withdrawal from School, etc.

(Procedures for Leave of Absence, Withdrawal from School, etc.)

Article 5 When a student intends to take a leave of absence, withdraw from school, study abroad, or return to school, the student must apply to the President using one of the forms from Appended form 6 to Appended form 9 under the joint signatures of the student and the guarantor. Furthermore, when the reason for the leave of absence, withdrawal from school or return to school is health-related, a medical certificate from a physician must be attached to the form.

Chapter 4 Notification of Absence

(Notification of Absence)

Article 7 (1) When a student intends to be absent for two weeks or more continuously because of illness or for any other reason, the student must submit the Notification of Absence prescribed separately to the President. However, in the case of illness, a medical certificate from a physician must be attached to the form.

(2) When a student did not make a submission in advance for some unavoidable reason, the student must submit a notice with the reason immediately after the fact.

Chapter 5 Student Identification Card

(Carrying of Student Identification Card)

Article 8 (1) Students must carry a student identification card issued by the University at all times and present it at the request of a University official.

- (2) Students may not lend or transfer the student identification card to any other person.
- (3) Students not carrying the student identification card may be prohibited from using University facilities such as classrooms, laboratories, and the library.

(Handling of Student Identification Card)

Article 9 (1) When a student has lost the student identification card, the student must submit the Application for Reissuance of Student Identification Card prescribed separately to the President without delay to have it reissued.

(2) When a student has lost student status because of graduation, withdrawal from school, etc., the student must return the student identification card.

Chapter 7 Student Association

(Establishment of Association)

Article 11 (1) When a student intends to establish an association on campus, the student must submit the Application for Establishing Student Association prescribed separately to the President for permission.

(2) When establishing an association in the preceding paragraph, a student shall receive guidance and advice from a full-time faculty member of the University and must appoint an advisory faculty for that purpose.

Chapter 8 Assemblies, etc.

(Permission for Holding Assemblies, etc.)

Article 19 When a student or a student association intends to hold an assembly (including group demonstrations; the same shall apply hereinafter) or an event on campus, the student or the student association must appoint a person in charge in advance, submit an Application for Assembly prescribed separately to the President for permission three days before the date of the event.

(Restrictions on Assembly)

Article 20 A student or a student association may not hold an assembly to have an activity related to a specific political party or a religious association.

(Matters to be Observed)

Article 21 When a student or a student association intends to hold an assembly on campus, the student or the student association must follow instructions given by University officials, and try not to hinder education and research at the University, or cause damage to the equipment of the facilities or the environment.

NOTE:

The official text of each regulation is the Japanese version. As the English translation is provided only for reference, if there are any discrepancies between Japanese and English versions, the Japanese takes precedence.
