# 1. Introduction

students at Nagaoka University of Technology (NUT) may be eligible to receive tuition fee exemptions under the following two systems: NUT’s original tuition fee exemption system (“original system”) and the New System for Higher Education Aid (a system that enables students to receive reductions and exemptions for tuition fees, etc. in addition to Japan Student Services Organization scholarships). This guide describes tuition fee exemptions provided under the original system, and applies to graduate students and privately financed international students enrolled at NUT. Students may apply for tuition fee exemption if they fulfill the requirements described below in **Section 2. Applicant Requirements for Tuition Fee Exemption**. Applications are reviewed each semester (First semester: April 1 to September 30; Second semester: October 1 to March 31 of the following year). Based on the application review, students may be granted a full (¥267,900) or half (¥133,950) exemption of tuition fees.

(The review will be based on academic ability, family condition criteria, and tuition fee exemption budget. Therefore, an applicant may have different results for the first and second semesters depending on factors such as the number of applicants and overall family condition.)

# 2. Applicant Requirements for Tuition Fee Exemption

Graduate students and privately financed international students enrolled at NUT may apply for tuition fee exemption if they fulfill Conditions ①, ②, or ③ below.

No.	Conditions
①	Students who are recognized as having <u>academic excellence</u> * <sup>1</sup> but have difficulties in paying tuition fees for financial reasons.
②	Students who are recognized as having significant difficulties in paying tuition fees because the person responsible for paying their school expenses (hereinafter referred to as the “payer”; for privately financed international students, the payers are the students themselves) has passed away or the <u>student or payer has experienced a disaster (including wind/flood damage, fire, earthquakes, etc.)</u> * <sup>2</sup> from October 1, 2024 onward (within one year before admission for newly admitted students).
③	Students who are recognized as having difficulties in continuing their studies due to reasons beyond their control, such as the impact of social conditions.* <sup>3</sup>

\*<sup>1</sup> Academic excellence will be assessed based on academic criteria stipulated by NUT. Please note that students who do not fulfill these criteria will be rejected even if they apply.

\*<sup>2</sup> Students may be eligible for full or half exemption of the admission fee/tuition fees and deferral of the admission fee if their payers are residing in regions covered by the Disaster Relief Act and have experienced wind/flood damage or other natural disasters. Students who wish to apply for fee exemption/postponement for this reason should attach the documents listed in Point 5. of Section 4. Notes on Application Submission. Academic ability will not be a consideration for this condition. **Condition ② only applies to disasters that occur within Japan.**

\*<sup>3</sup> Privately financed international students who are applying under Condition ③ must also submit a recommendation letter from their academic supervisor (**Recommendation Letter from Supervisor**) (if the academic supervisor has not yet been decided, the recommendation letter may be written by a class lecturer or Program Chair). (Refer to **Section 6-2 II. ⑧**)

(Note) However, students who fulfill the following conditions are not eligible for tuition fee exemption.

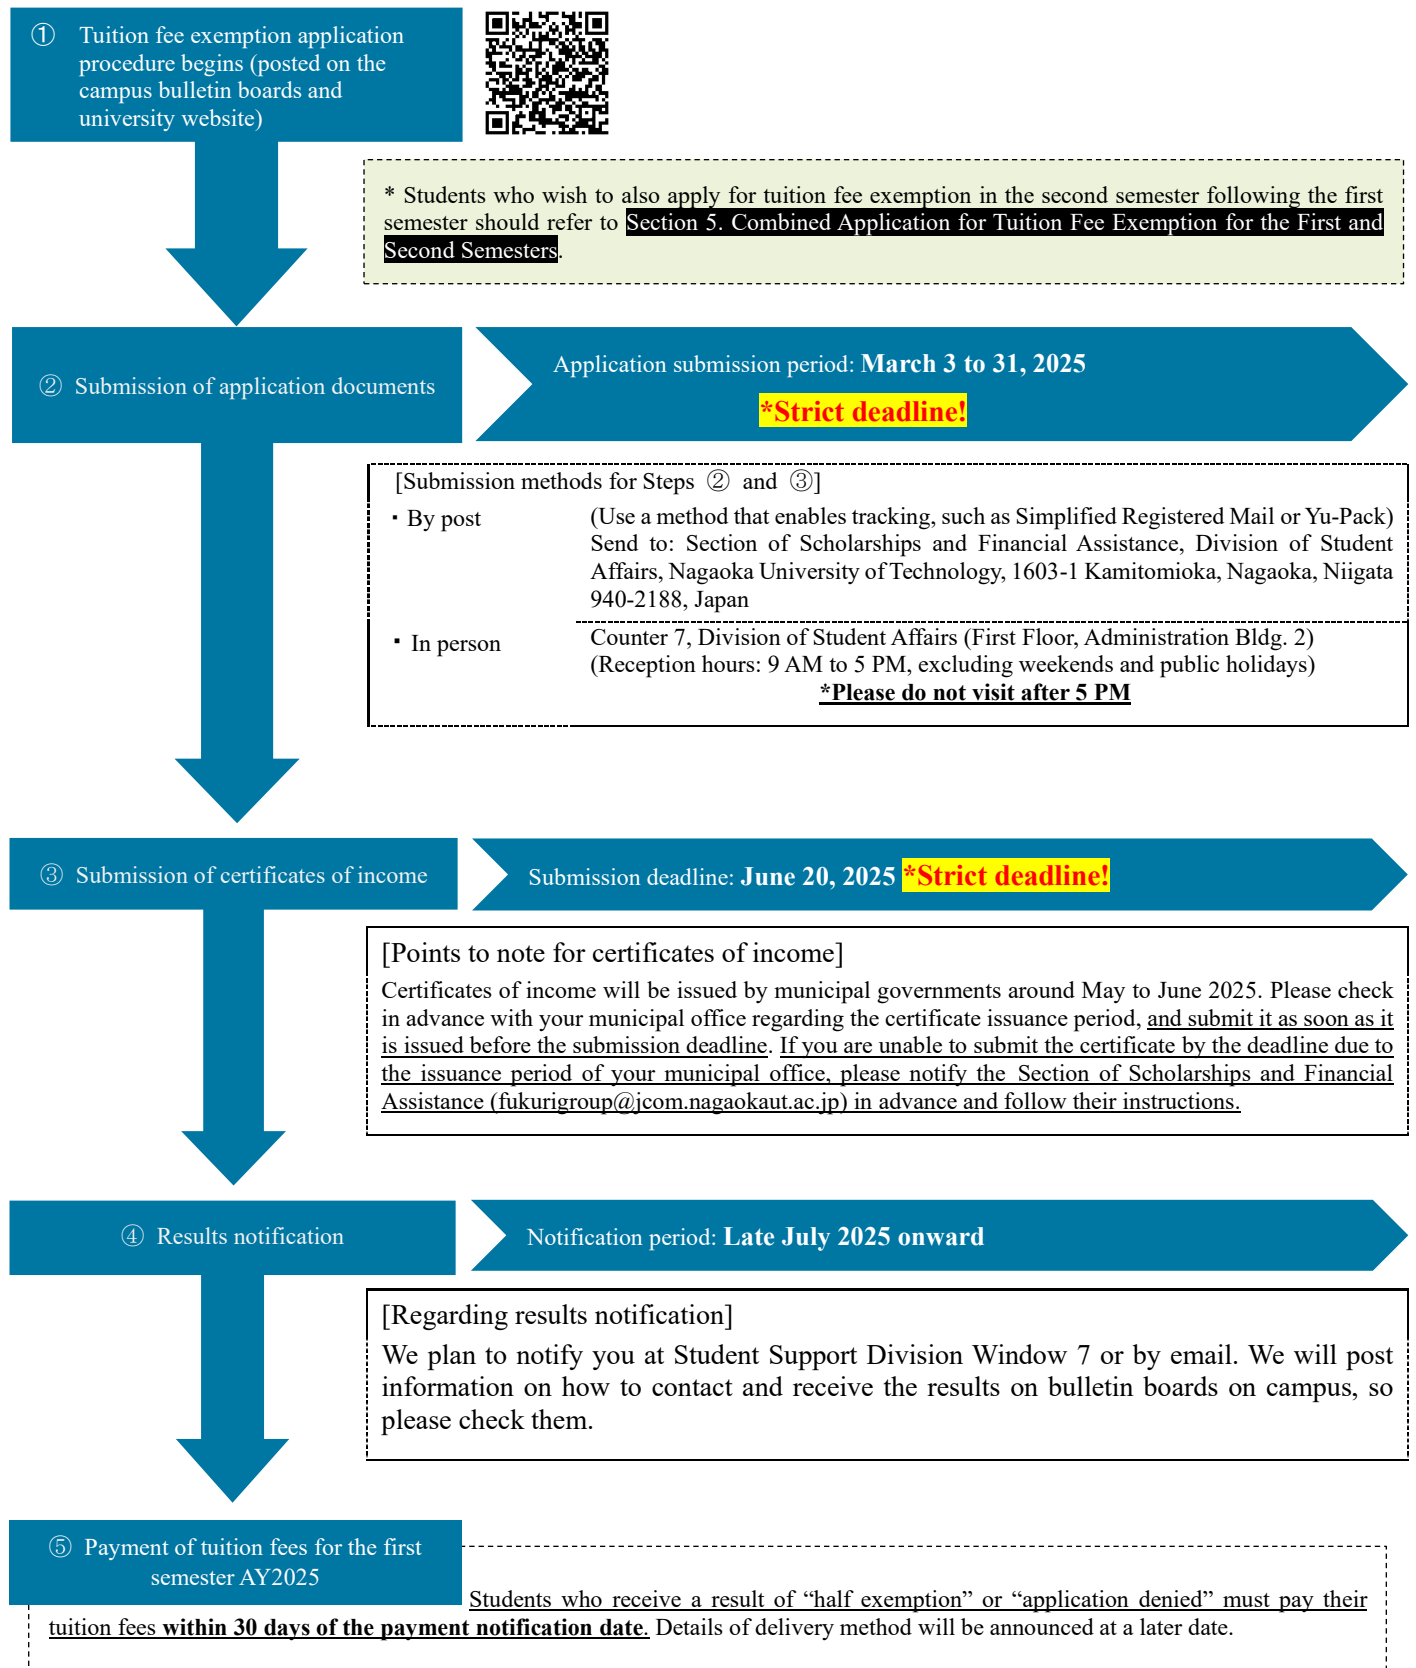

No.	Ineligibility Conditions for Tuition Fee Exemption
①	Students who have already paid the tuition fees for that semester* <sup>4</sup>
②	<u>Students who are repeating a year or have exceeded the standard duration for course completion</u> * <sup>5</sup>
③	International students who will receive scholarship funds after entering NUT or are currently receiving scholarship funds from their home country or the Japanese government

\*4 Tuition fees that have already been paid will not be refunded for any reason.

\*5 Students with special circumstances, such as health problems requiring long-term care ( $\geq 6$  months), must submit a recommendation letter from their academic supervisor (If the academic supervisor has not yet been decided, the recommendation letter may be written by a class lecturer or Program Chair) (Refer to **Section 6** II. ⑧). These students may be eligible for exemptions after a review.

### 3. Application Procedure Schedule (Strict Deadline)

Applications will be accepted in accordance with the schedule below. Please prepare and submit all the necessary documents either directly to Counter 7, Division of Student Affairs (First Floor, Administration Bldg. 2) or by post within the designated period. ## 4. Notes on Application Submission

Regardless of the above, **you must submit the following three documents by the application deadline stated in Step ② of Section 3. Application Procedure Schedule (Strict Deadline): “Document Checklist for Tuition Fee Exemption”, “Application Form for Tuition Fee Exemption”, and “Form for Family Condition”. 2. Please note that applicants who do not submit the necessary documents by the deadline without prior notification will, in principle, be considered to have an incomplete application and removed from the list of eligible applicants.
3. After receiving the application documents, the university may contact you to confirm the contents of your application and the attached documents. Furthermore, you may also be asked to submit additional documents. If you receive a phone call or email from the university, please follow the instructions.
