

2026 Health Checkup Schedule (by affiliation)

	Major	Grade	Date and Time
School of Engineering	1st year undergraduate	B1	Any time on April 8th (Wed)
	Mechanical Engineering	B2	Any time on April 8th (Wed)
	Mechanical Engineering	B3	Any time on April 9th (Thu)
	Mechanical Engineering	B4	Any time on April 8th (Wed)
	Electrical, Electronics and Information Engineering	B2	Any time on April 8th (Wed)
	Electrical, Electronics and Information Engineering	B3	Any time on April 9th (Thu)
	Electrical, Electronics and Information Engineering	B4	Any time on April 8th (Wed)
	Materials Science and Bioengineering	B2	Any time on April 8th (Wed)
	Materials Science and Bioengineering	B3	Any time on April 9th (Thu)
	Materials Science and Bioengineering	B4	Any time on April 8th (Wed)
	Civil and Environmental Engineering	B2	Any time on April 8th (Wed)
	Civil and Environmental Engineering	B3	Any time on April 9th (Thu)
	Civil and Environmental Engineering	B4	Any time on April 8th (Wed)
	Bioengineering	B2	Any time on April 8th (Wed)
	Bioengineering	B3	Any time on April 9th (Thu)
	Bioengineering	B4	Any time on April 8th (Wed)
	Information and Management Systems Engineering	B2	Any time on April 8th (Wed)
	Information and Management Systems Engineering	B3	Any time on April 9th (Thu)
	Information and Management Systems Engineering	B4	Any time on April 9th (Wed)
Master's Program	Mechanical Engineering	M1	Any time on April 10th (Fri)
	Mechanical Engineering	M2	Any time on April 9th (Thu)
	Electrical, Electronics and Information Engineering	M1	Any time on April 10th (Fri)
	Electrical, Electronics and Information Engineering	M2	Any time on April 9th (Thu)
	Materials Science and Bioengineering	M1	Any time on April 8th (Wed)
	Materials Science and Bioengineering	M2	Any time on April 9th (Thu)
	Materials Science and Technology	M2	Any time on April 9th (Thu)
	Civil and Environmental Engineering	M1	Any time on April 10th (Fri)
	Civil and Environmental Engineering	M2	Any time on April 10th (Fri)
	Information and Management Systems Engineering	M1	Any time on April 10th (Fri)
	Information and Management Systems Engineering	M2	Any time on April 10th (Fri)
	Nuclear Technology	M1	Any time on April 10th (Fri)
	Nuclear Technology	M2	Any time on April 10th (Fri)
	System Safety Engineering	all	Any date and time during the period
Doctoral Program	Energy Engineering	all	Any date and time during the period
	Energy and Environment Science	all	Any date and time during the period
	Information Science and Control Engineering	all	Any date and time during the period
	Materials Science	all	Any date and time during the period
	Civil Engineering and Bioengineering	all	Any date and time during the period
	Integrated Bioscience and Technology	all	Any date and time during the period
5-year Integrated Doctoral Program	Science of Technology Innovation	all	Any date and time during the period

- ※ 1 **If you are unable to attend the examination on the designated date and time due to classes, etc., please visit the examination on any date and time during the period.**
- ※ 2 A female doctor will be available on the following dates and times:
If you wish to be examined by a female doctor, but there is no female doctor available at the designated time for your field/course/major, please go to any time when a female doctor is available.
Date and time of female doctor assignment: 8th (Wed) afternoon, 10th (Fri) afternoon
- ※ 3 If you are currently employed and wish to undergo a health checkup at your workplace, there is no problem just attending the checkup there. If you wish to receive a health examination certificate, please submit your health examination results to the health room.
